Notice of Availability of Draft Eagle Mountain Landfill and Recycling Center Project Environmental Impact Statement/Environmental Impact Report, Riverside County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability of the Draft Eagle Mountain Landfill and Recycling Center Project Environmental Impact Statement/Environmental Impact Report.

SUMMARY: In accordance with Section 202 of the National Environmental Policy Act of 1969, a draft Environmental Impact Statement/Environmental Impact Report (EIS/EIR) has been prepared for the Eagle Mountain Landfill and Recycling Center Project by the Bureau of Land Management (BLM) and County of Riverside. The EIS/EIR describes and analyzes six alternatives in addition to the proposed project. Mine Reclamation Corporation and Kaiser Eagle Mountain, Inc. has proposed to develop the project on a portion of the Kaiser Eagle Mountain Mine in Riverside County, California. The proposed project comprises a Class III nonhazardous municipal solid waste landfill and the renovation and repopulation of Eagle Mountain Townsite. The proposal by the proponent includes a land exchange and application for rights-of-way with the Bureau of Land Management and a Specific Plan, General Plan Amendment, Change of Zone, Development Agreement, Revised Permit to Reclamation Plan, and Tentative Tract Map with the County. The EIS/EIR analyzes the effects of the proposed action and alternatives on

such environmental issues as desert tortoise, air and water quality, and wilderness. The BLM has not identified a preferred alternative in the Draft EIS/EIR; a preferred alternative will be identified in the Final EIS/EIR.

Comments concerning the adequacy of this document will be considered in preparation of the Final EIS/EIR. Copies of the EIS/EIR are available for review at the following libraries:
